

Detour “B317/500” to Alemannenhof

from August to December 2017

Dear guests,

Due to roadworks, the Alemannenhof is only accessible from Titisee during the months August to December. From direction Feldberg/Schluchsee you have to change your way to us.

Please use the detour “B31/500” to reach us:

- Take B317/500 proceed to exit B31 direction Titisee/Freiburg
- Follow B31 until the exit Titisee town center
- Follow the signs for “Bruderhalde”
- After about 2 km you can see the Alemannenhof on the left side of the street on the lakefront

Pedestrians and cyclists will be redirected through the construction site without not obstructing the circular path around the lake.

We look forward to welcoming you and wish you a safe arrival!
